Umpires to summarise reasons for yellow & red cards here. More details should be recorded on Red/Yellow card form available from MHUA.							
Other observations:							
Signatures (check team names, competition, score, player names, scorer names, umpire names & disciplinary cards all accurately recorded)							
Home Capt./Manager		Away Capt./Manager		Umpire		Umpire	
<p>1. Before match: Captains/managers should ensure that the details of the match and players are correctly entered – using block capitals. Then hand the card to one of the umpires.</p> <p>2. After match: Umpires ensure that the score, scorers and any disciplinary cards are recorded. Then umpires &amp; captains/managers should check that all relevant details have been entered and then sign the card as a correct record of the match.</p> <p>3. The home team contact should ensure that a. the result is texted to Sportsmanager asap AND b. that the match card is sent to the relevant registrar within 4 days.</p>
