

Waterford Hockey Club Return to Play Guidelines for Spectators

Due to the COVID-19 protocols/regulations there have been a number of changes made to both the use of the hockey pitch and training facilities. WHC would request you note these changes.

Spectators

Spectators will be limited to the number allowed by NPHET advice applicable at the time of fixture. Spectators should follow the direction of COVID supervisors and enter/leave the spectating area through the designated access exit routes. Spectators are only admitted to the rugby pitch side of Newtown Terrace end and **NOT** at the school end or the dugout side of pitch. All spectators should follow social distancing guidelines. Spectators are required to provide their name and contact details to the COVID Supervisor on duty when attending the grounds.

Facilities

- There will be no access to toilet facilities as these are restricted to players/coaches/supervisors and parent managers only.
